A Brief About us

Our company is one of the oldest units in recycling of used/waste oil business. We have Authorization & Permissions from Central pollution Control Board, New Delhi & Maharashtra Pollution Control Board for disposal, collection & transportation of Hazardous waste. Our Company today is bench marked for the best practices and procedures which are cost effective and technologically feasible all over India. The Operations at Meher Petro Chem pvt.Ltd. is managed by a group of committed professionals drawn from different disciplines. we undertake, safe collection & disposal of hazardous waste from the vessels calling at Mumbai port Trust & Jawaharlal Nehru Port Trust & also we collect used/waste oils from the industries all over india and also have experience in tank cleaning jobs. We are currently handling wastes disposal from the above ports & also from renowned Companies like Bharat Petroleum Corp. Ltd., Hindustan Petroleum Corp. Ltd, Indian Airlines, Air India, Tata motors Ltd., Bosch Ltd., JSW Steels., Mahindra & Mahindra Ltd., Reliance Industries Ltd., Tata Steel Industries, Tata Power company Ltd. Indian Naval Command, Mazgaon Dock Ltd. & many more government & private Companies & Ports. We have permission to procure and re-refine/recycle 3000 KLA used oil & 12,000 KLA waste oil per annum. We also has NOC/ Authorization for collection, reception and interstate transportation for hazardous waste (Used/waste oil) from various States in India.

AT MBPT Sludge Reception

Meher Petro Chem Pvt.Ltd. is one of the qualified company out of the 04 companies in the tender for reception of ship generated oily waste/ sludge/ slops/ bilges at Mumbai Port Trust via Tender No.PCC- 02/2017- We are one of the H1 Party in the tender, as per the tender norms party H-2, H-3 & H-4 can only procure 1000 MT of waste/Sludge oil etc per Annum whereas being H-1 party in the Tender there is no such quantity limitation on us. Hence we can provide Service continuously till the tender tenure without any hassles.

AT JNPT Sludge Reception

Meher Petro Chem pvt.Ltd. is also the H-1 party in the tender held at Jawaharlal Nehru Port Trust for collection of sludge/waste oil/bilge oil & slop from ships calling at Jnpt. Vide JNPT Tender No. JNP/Marine/Sludge & slop/2016/1 , dtd.23/12/2016.

Our Vision and Mission:

To be a brand known for its commitment environment and contributing towards ensuring removal of polluting and hazardous oil

Introduction of new technologies in the re-refining, recycling industry for hazardous waste and innovating existing one to reach a pivotal platform in the longer run.
